Nicholas Tournament

Kendo team tournament 9th December 2023

Kōan-Ken-Dōjō once again invites you to join the annual Nicholas tournament. It is a team tournament for beginners and advanced fighters of all ages.

All armourers will be drawn randomly into teams of three. Non-armourers can participate in a technique tournament. Additionally, children/youngsters, who just got their full armour, can take part in a show fight against an advanced kenshi of their choice.

We would like to gain fighting experience and have fun and joy. Everyone, who does not want to fight, is very welcome to – you can help stopping the time, write down results and thereof. Finally, we do invite shinpan for refereeing the matches.
